ABCD INTO ACTION

FIND AND MOBILIZE ASSETS OF THE COMMUNITY:

- RESIDENTS
- ASSOCIATIONS AND CONGREGATIONS
- BUSINESS, NON PROFITS, GOVERNMENT
- LOCAL ECONOMY
- PHYSICAL WORLD

1) WHAT DO WE WANT TO DO?

2) WHAT DO WE HAVE TO DO IT WITH?
   - Find assets
   - Connect assets

3) HOW DO WE GET THEM TO DO IT?
   - Relationships
   - Discover self interest “motivation to act”
   - Self interest to common interest

4) HOW ARE WE DOING?
   - Evaluation
   - Celebration
ABCD MAPPING

FOUR KEY QUESTIONS:

1) WHO IS DOING IT?

2) WHAT IS THE PURPOSE?

3) HOW WILL YOU COLLECT AND ANALYZE THE DATA?

4) HOW WILL YOU USE THE DATA TO MAKE CONNECTIONS FOR CONTRIBUTION?

ABCD MAPPING IS A GUIDE FOR RELATIONSHIP BUILDING—NOT JUST DATA!

TO USE A "MAP" EFFECTIVELY; YOU NEED "AN ORGANIZATIONAL VEHICLE" CAPABLE OF GOING DOWN THE ROAD!
Types of Asset Mapping

Individual Asset Inventories:
- Gifts, talents, dreams, hopes, fears

Associational Mapping:
- Associations you know
- Associations you don't know
- What do they currently do?
- What have they talked about doing but haven't done yet?
- What might they do if they were asked?

Institutional Mapping:
- Gifts of employees & volunteers
- Physical space & Equipment
- How money is spent - supplies, services, hiring, etc.
- Current relationship with community

Physical Space Mapping:
- What is in the neighborhood - parks, schools, libraries, community centers, hospitals and clinics, apartments, single family homes, neighborhood businesses, bike and walking paths, green spaces, vacant lots...
- What happens where - block club activity, recreation/sports, crime, senior activities, youth activities, clean-ups, code problems, housing type, etc.

Neighborhood Economy Mapping:
- How money flows in (and out) of the neighborhood
- Neighborhood business development
Survey Guidelines

Introduction
My name is ______________________ What is your name?

Thank you for coming over. Did someone talk to you about what the "Gift Exchange" is all about? What do you understand it to be?

Basically, we believe that everyone has God-given talents and gifts that can be used to benefit the community. I'd like to spend a few minutes talking to you about your gifts and skills.

Before we get started, let me give you a small gift.

**GIFTS**
Gifts are abilities that we are born with. We may develop them, but no one has to teach them to us.
1. What positive qualities do people say you have?
2. Who are the people in your life that you give to? How do you give to them?
3. When was the last time you shared with someone else? What was it?
4. What do you give that makes you feel good?

**SKILLS**
Sometimes we have talents that we've acquired in everyday life such as cooking and fixing things.
1. What do you enjoy doing?
2. If you could start a business, what would it be?
3. What do you like to do that people would pay you to do?
4. Have you ever made anything? Have you ever fixed anything?

**DREAMS**
Before you go, I want to take a minute and hear about your dreams-those goals you hope to accomplish.
1. What are your dreams?
2. If you could snap your fingers and be doing anything, what would it be?

**CLOSING**
First, I'd like to thank you. We're talking to as many people as we can and what we'd like to do is begin a Wall of Fame here in the Soup Kitchen highlighting the gifts, skills and dreams of as many people as possible. The ultimate goal is to find a way to use those gifts in rebuilding the community.

Before you go, can I get your full name? Address? Age?

GREYROCKERS GIFT LIST

MY NAME IS:

AND HERE ARE SOME OF MY GIFTS

Please list 2-4 things in each category—things you wouldn’t mind people at Greyrock knowing about you. Please write legibly.

Gifts of the head (things I know something about, and would enjoy taking about, or teaching others about, e.g., birds, art history, movies, solar energy).

Gifts of the hands (things I know how to do and enjoy doing, e.g., carpentry, sports [be specific], gardening, cooking).

Gifts of the heart (things I care deeply about, e.g., protection of the environment, civic life, children).

When you finish, tape the paper to some part of your person and wander around, reading other people’s lists and having them read yours. Feel free to add or change as you go. Try to interact with at least 2 people. Benefits of doing a gifts list: (1) You can find people who share your interests. (2) If you need something done that you don’t have the skills for, you may find someone who does have those skills and compensate them with money or through a barter arrangement. (Laurie and Katherine are working on a more elaborate barter system, or skills bank; see them if you are interested in helping develop it.) And, finally, (3) it helps you skip over the small talk and get to the meaning of life, or some such thing. PLEASE RETURN THIS FORM TO ELIZA. THANKS!!
Community Capacity Inventories
Questions to Ask Before You Start

PURPOSE:

● What is our goal? What do we hope to achieve?
● What specific goals can we name that will help to make the general goal more concrete?
● What kinds of questions need to be asked in order to generate the kind of information necessary to meet both the general and specific goals?
● How will we use the information that we collect to accomplish our goals?

METHODS:

● What is the most effective way to collect information that we need, given the resources at our disposal?
● How many community residents do we want to interview?
● How will our interviewers be educated and trained in the capacity inventory approach and process?
● What will happen to the information once it has been collected? Who will be responsible for analyzing and maintaining it, and making sure it is available to be used toward meeting the organizations goals?

△ **Institutions:**

Fortress or Treasure Chest?

*Strong communities make strong institutions...*

Ways to be community serving by local action:

- Purchasing
- Hiring
- Investment and banking
- Youth training
- School involvement
- Accountability: local people serving on boards and committees
- Staff contributes time, resources and effort to community
- Contributing use of space and equipment
- Opening doors
STRATEGIES FOR INSTITUTIONS AS SERVANTS

What can agencies and institutions do to build stronger community member-groups and stronger communities? How to lead by “stepping back”?

CHAMPIONS FOR CHANGE- staff can work to get people’s power and resources - and can help agencies move from “lord to servant”.

SMALL GRANTS- to activate citizenship through small amounts of funding to community member groups.

SELF INVENTORIES- what does our agency have to offer to strengthen local people? (outside our service mission)

ASSOCIATION MAPPING- find and connect local associations and congregations.

OTHER ASSET MAPPING- discover what assets we have in our community to address issues.

CONVENE INSTITUTIONS- organize institutions to support community members’ action — as community members’ groups want.

AUTHORIZE PEOPLE TO ACT- agencies can use expertise and clout to encourage community members’ action.

SUPPORT COMMUNITY MEMBER ORGANIZING- invest in and support the development of community member organizing groups and community member centered community partnerships.

ECONOMIC POWER—buy, hire, train in ways that strengthen the local economy.
