## Where do DePaul students go after graduation?

### Career Outcomes Rate

Bachelor's Degree Recipients

5% of degree recipients are seeking employment

2017 saw a **2 percentage point increase** in the career outcomes rate for CSH undergraduates, primarily driven by the significant increase in outcomes for mathematics graduates, as well as a slight increase in outcomes for health sciences graduates. These outcomes are a reflection of the value of a CSH degree.

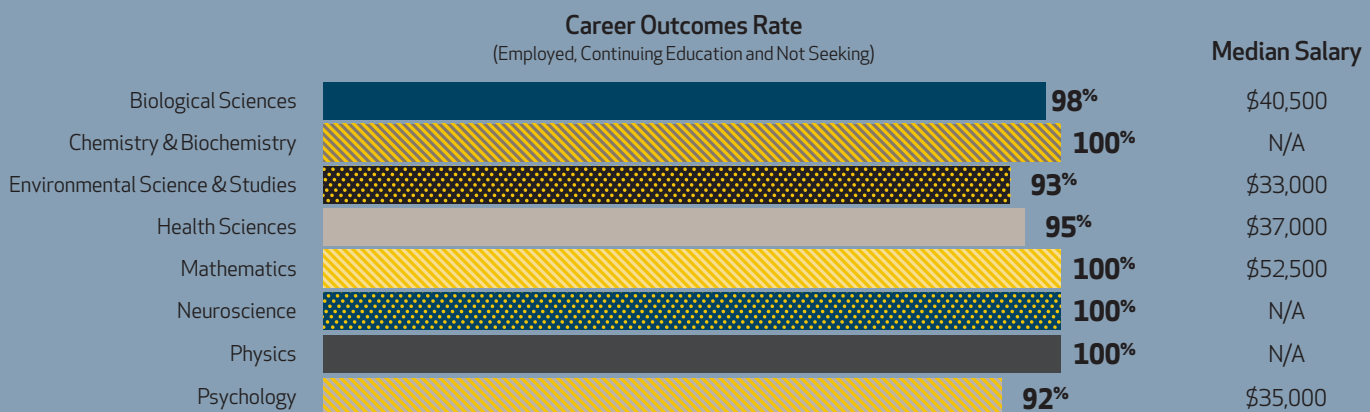

### Employment Details

### Top Industries

### Career Outcomes Rate and Median Salary by Major\*\*

\*\* Only majors with sufficient sample sizes are represented in the report graphics.

Overall median salary is \$37,000

## Knowledge Rate

# 87%

The Class of 2017 was surveyed about their post-graduation destinations at graduation and six months after degree completion. Data are also gathered from public record via LinkedIn. The knowledge rate is the percentage of the graduating population for which we have data.
