Median Salary

$61,484

Interquartile Range*: $50,000 - $83,000
*50% of reported salaries fall within this range.

“A career advisor came into my class, and explained all of the things DePaul offers to help you while you’re in and out of school. I took advantage of all the career counseling help I could get, which was a lot: resume writing, interviewing, figuring out internships. It was very encouraging to recognize that I was in a field and in a place where I was being championed.”

Fizzah Z. (MS ’18, Clinical Mental Health)
