Where do DePaul students go after graduation?

**Career Outcomes Rate**
Master's Degree Recipients

- 95% Employed
- 89% Continuing education
- 6% of employed graduates are in entrepreneurial roles
- 13% of employed graduates are in a job related to their degree
- 6% of degree recipients are seeking employment

The 2016 career outcomes rate was up 7 percentage points on the prior year. This was primarily driven by an increase in the percentage of graduates continuing their education.

**Employment Details**

- 100% of employed graduates are in a job related to their degree
- 13% of employed graduates are in entrepreneurial roles

**Median Salary**

- $50,000

**Knowledge Rate**

- 86%

The Class of 2016 was surveyed about their post-graduation destinations at graduation and six months after degree completion. Data are also gathered from public record via LinkedIn. The knowledge rate is the percentage of the graduating population for which we have data.
