**Maternal Health Nursing** | Prentice Women's Hospital Fall 2021  
**Medical-Surgical** | Advocate Illinois Masonic Medical Center Summer 2021

## CLINICAL HEALTH EXPERIENCE

**Medical Scribe** | Salerno Shields Memorial Hospital Aug 2018 – Aug 2020

- Accompanied physicians on patient interviews and exams and documented all patient visit information in Epic, improving physician productivity and facilitating more efficient patient flow
- Communicated with other hospital departments to place orders for medical tests and procedures, and accurately documented results in patients' charts to support patient care
- Organized and led classroom orientations to train new hires on scribing and hospital procedures, and supervised and performed weekly chart audits for new scribes to track progress and ensure accurate charting

**Cardiac Rehab Clinical Volunteer** | Cottage Park Medical Center Jan 2016 – Jun 2018

- Supported patients' treatment by conducting blood pressure monitoring, applying heart monitors, and cleaning equipment
- Engaged with patients as they completed their recurring treatments to answer patients' questions, provide companionship, and boost morale

## ADDITIONAL EXPERIENCE

**Camp Counselor** | Poplar Creek Summer Camp Jun 2018 – Aug 2018

- Directed interactive and engaging daily activities for campers age 6-11, including hiking, swimming, archery, and arts and crafts, to facilitate campers' physical, social, and emotional development.
- Collaborated with 8 fellow camp counselors to organize camp-wide events, including the Dog Days of Summer Field Day, Summer Solstice Stargazing, and Poplar Creek Song & Story Fest.
- Developed and implemented a New Camper Safety Orientation that reduced camper injuries by 40% over the course of the summer.

**Fitness Floor Supervisor** | Ray Meyer Fitness & Recreation Center Nov 2014 – Jun 2018

- Oriented new members to the center's fitness floor and answered patrons' questions about the center's strength and conditioning equipment, ensuring its safe and proper use
- Regularly inspected, cleaned, and organized equipment in studios and on the fitness floor to provide a clean and hygienic environment for patrons

## SKILLS & TECHNOLOGY

- Skills:** Bilingual in Spanish, IV medication administration, wound care, catheterization, infection control, medical scribing
- Technology:** Microsoft Office (Excel, Word, PowerPoint, Outlook, Teams), Google Suite (Sheets, Docs, Slides, Forms), Epic
