## PUBLIC HEALTH EXPERIENCE

---

**Development Associate** August 2019 – Present  
Hollyoaks Health Alliance (HHA) Hollyoaks, IL

- Oversee scheduling, logistics, and agendas for in-person and virtual donor meetings, and manage the HHA Salesforce CRM system to ensure accurate, timely, and detailed tracking of all donor meetings
- Develop written communications including donor profiles, talking points, program updates, and correspondence to support giving officers with prospect research, pipeline development, and donor cultivation
- Serve as the Communications Chair for the annual HHA fundraising gala, including writing, designing, and sending all gala email communications via MailChimp, managing event registration in Eventbrite, and designing gala signage and programs
- Pitched and launched the HHA Young Professionals Board in November 2020 to engage emerging health leaders in supporting the organization's mission, priorities, and programs

**Community Health Intern** September 2017 – June 2019  
North-Central Illinois Medical Center Blythe, IL

- Designed, launched, and provided ongoing management of the medical center's Food2U program, which provides fresh fruits and vegetables to patients upon discharge from the hospital and offers nutritional workshops and resources across the hospital
- Conducted a rigorous evaluation of the Food2U program in Fall 2018 that incorporated qualitative and quantitative feedback gathered via patient interviews and a Qualtrics survey and resulted in program modifications including extended hours and adding virtual workshop offerings

## LEADERSHIP EXPERIENCE

---

**President & Founder** November 2020 – Present  
DePaul University Public Health Alliance Chicago, IL

- Launched a student organization to build community, offer professional networking opportunities, and provide career development resources and programming for graduate students pursuing public health-focused careers
- Lead monthly executive board meetings and general body meetings to update officers and members on club business and coordinate on projects and events
- Organized a virtual Public Health Networking Night in Spring 2021 that brought together 8 DePaul public health alums to share their career journeys and advice with members
