DEAN, DRIEHAUS COLLEGE OF
BUSINESS &
KELLSTADT GRADUATE SCHOOL
OF BUSINESS

DEAR 2026 GRADUATES,

Congratulations on this remarkable achievement. Earning your business degree from DePaul University is a significant accomplishment, reflecting years of determination, perseverance, and growth. I have had the privilege of witnessing firsthand the energy, creativity, and commitment that define this class, and it gives me great confidence in what lies ahead for each of you.

During your time at the Driehaus College of Business, you have done more than complete coursework. You have navigated challenges, collaborated with peers, learned from dedicated faculty, and developed the judgment and values that will guide your decisions long after today. You have embraced the entrepreneurial “can-do” spirit that defines Driehaus, not just as an idea, but as a way of approaching problems, opportunities, and people.

As you leave DePaul, you join a global community of more than 80,000 business alumni. This network is not just a professional asset; it is a lifelong source of connection, mentorship, and inspiration. Time and again, our alumni share how the relationships they built here shaped their paths in meaningful ways. I encourage you to stay connected, support one another, and carry forward that same spirit of generosity and collaboration.

(continued)

JUNE 2026

The world you are entering is complex and constantly evolving. But it is also full of opportunity - for innovation, for leadership, and for making a meaningful difference. Whether you are launching a venture, joining an organization, or continuing your studies, remember that success is not only measured by what you achieve, but also by how you contribute to others and the integrity with which you lead.

I am excited to see the paths you will take and the impact you will make. And I hope you will stay in touch and share your journey with us. We will be cheering you on every step of the way.

On behalf of the faculty and staff of the Driehaus College of Business, congratulations once again. We are proud of you.

Warmest regards,

A handwritten signature in blue ink, appearing to read 'Sulin Ba'.
