JUNE 2026

## DEAR GRADUATE,

Congratulations to DePaul's Class of 2026!

I'm thrilled to celebrate DePaul's commencement with you and your families. Today, you're joining one of the most powerful alumni networks in the nation.

Across the country and around the globe, DePaul alumni leave with more than just a degree. They carry with them a well-rounded education, a career-ready mindset, and a deep sense of purpose, equipping them to take on the world's most pressing challenges. As you move forward, let the Vincentian question guide you: What must be done?

Our collective impact on the world is now 6,000 people stronger, because of you. I'm proud of you and look forward to following your future success.

JUNE 2026

## DEAR GRADUATE,

My heartfelt congratulations on this important milestone.

Commencement serves a dual purpose: it celebrates all that you have accomplished at DePaul and marks the beginning of the next chapter of your life. It is both a moment of reflection and a moment of anticipation—an opportunity to look back with pride on your achievements and forward with confidence to all that lies ahead.

As you move forward, carry with you the lessons, values, and relationships that have defined your time here. Your education is not simply a record of what you have learned, but a foundation for how you will lead, serve, and make a difference. You are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

We are proud of all that you have accomplished and confident in all that you will achieve. Wherever your journey leads, you will always remain part of the DePaul community.

Go Blue Demons!

## DEAR CLASS OF 2026,

Congratulations on reaching this remarkable milestone! On behalf of the entire Jarvis College of Computing and Digital Media community, I extend my heartfelt congratulations on your outstanding accomplishment.

I'm incredibly proud of all you have achieved during your time at DePaul. You've won cybersecurity competitions, created award-winning films, designed impactful games, and developed innovative solutions to real-world challenges for the communities around us. Your creativity, drive, and dedication have been nothing short of inspiring.

We are fortunate to have such forward-thinking, passionate students. I know that CDM has prepared each of you –tech innovators, designers, and storytellers alike– to be life-long learners who will blaze new paths and continue to make meaningful contributions to society.

As we celebrate your success today, I also want to acknowledge and thank the parents, grandparents, siblings, partners, children, and friends who have supported you throughout this journey. Their encouragement and love have helped bring you to this moment, and they share in our pride and confidence for your bright future.

As graduates, you will forever be part of the CDM family. We are grateful for the legacy you leave behind and hope you will maintain a strong connection with your college. Your continued engagement strengthens our community and enriches the experiences of our future students.

As you reach this academic milestone, take a moment to reflect on the highlights of your learning journey over the past few years. Perhaps you shot your first scene on the Virtual Production Stage at Cinespace, brought an idea to life in the IRL, showcased your game to Eugene Jarvis, collaborated with CIOs in the iDLab, developed a cool new AI-powered app, or pushed the boundaries of emerging technologies in the Jarvis Innovation Center.

*(continued)*

JUNE 2026

Think, too, about the human experiences that shaped you: discovering new cuisines and cultures with classmates from around the world, engaging in a great conversation with an alum who opened your eyes to a new career path, debating tough topics over coffee in the Loop, or simply sharing laughter in your dorm room with friends during a classic Chicago polar vortex.

As you move forward, carry these memories, experiences, and connections with you. Envision the positive impact you can have on future generations of CDM students – whether through joining the Alumni Association, mentoring, or giving back to our programs. Your contributions will help support the next generation of creative thinkers and innovators.

On behalf of the faculty and staff of the Jarvis College of Computing and Digital Media, congratulations once again. I can't wait to see the incredible achievements that lie ahead for each of you.

With best wishes for your journey ahead,

JUNE 2026

## DEAR GRADUATE,

Welcome to the DePaul University alumni family. By completing your degree, you have joined an elite group of more than 220,500 alumni who share with you the knowledge, Vincentian personalism and determination characteristic of a DePaul graduate. As a new member of the DePaul alumni community, your lifelong connection to DePaul and your fellow alumni will only grow stronger from here.

The Office of Alumni Relations is here to help you maintain and strengthen that connection, and we invite you to get started by utilizing the many resources and privileges available to DePaul alumni. Our growing network of regional chapters, affinity-based groups and alumni contacts in cities around the world brings the benefits of membership closer to you. On our website, you can register for upcoming events in your area, learn about volunteer opportunities, engage with fellow alumni on our networking platform, DePaulConnect and more. Be sure to visit [alumni.depaul.edu](http://alumni.depaul.edu) to learn more about the myriad of ways you can stay connected.

Please accept our best wishes for continued success in the days and years ahead. Congratulations on receiving your DePaul degree! Go Blue Demons!
