JUNE 2026

DEAR GRADUATE,

Congratulations to DePaul's Class of 2026!

I'm thrilled to celebrate DePaul's commencement with you and your families. Today, you're joining one of the most powerful alumni networks in the nation.

Across the country and around the globe, DePaul alumni leave with more than just a degree. They carry with them a well-rounded education, a career-ready mindset, and a deep sense of purpose, equipping them to take on the world's most pressing challenges. As you move forward, let the Vincentian question guide you: What must be done?

Our collective impact on the world is now 6,000 people stronger, because of you. I'm proud of you and look forward to following your future success.

PRESIDENT

JUNE 2026

DEAR GRADUATE,

My heartfelt congratulations on this important milestone.

Commencement serves a dual purpose: it celebrates all that you have accomplished at DePaul and marks the beginning of the next chapter of your life. It is both a moment of reflection and a moment of anticipation—an opportunity to look back with pride on your achievements and forward with confidence to all that lies ahead.

As you move forward, carry with you the lessons, values, and relationships that have defined your time here. Your education is not simply a record of what you have learned, but a foundation for how you will lead, serve, and make a difference. You are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

We are proud of all that you have accomplished and confident in all that you will achieve. Wherever your journey leads, you will always remain part of the DePaul community.

Go Blue Demons!

PROVOST

JUNE 2026

DEAR GRADUATING CLASS OF 2026,

Thank you from the bottom of my heart for all you have accomplished, persisted through, and created in your time in the DePaul College of Education. You should be incredibly proud – not only of what you have achieved, but of who you have become. Your growth, your learning, and your "becoming" reflect a deep commitment to this path and to the purpose that brought you here.

In your chosen professions you are called to serve others; often those who are the most vulnerable and most in need of care, advocacy, and belief. This work is Vincentian at its core. You leave here not only with knowledge and skills, but with a mindset rooted in human dignity, compassion, and a commitment to the growth of every individual you encounter.

Thank you for choosing these paths and these journeys. They are not easy, predictable or certain. They require courage, resilience, humility, and heart. You have demonstrated all these qualities already, and you will continue to draw upon them in the years ahead. At a time when our communities—and our world—are navigating uncertainty, division, and change, your presence and your leadership matter deeply. You are prepared to help others heal, grow, learn, and engage more fully in our shared world.

(continued)

JUNE 2026

As you prepare to take the next steps remember that your learning does not end here. Stay curious, ask questions, seek understanding before judgment, be bold, and always strive to be better. You will make a positive impact on the world. Of that, I have no doubt.

I end with wise words from an amazing educator, Maya Angelou:

“Looking at the past must only be a means of understanding more clearly what and who [we] are so that [we] can more wisely build the future.”

With all my care and respect,

A handwritten signature in black ink that reads "Jennifer Mueller". The signature is written in a cursive, flowing style.
