JUNE 2026

DEAR GRADUATE,

My heartfelt congratulations on this important milestone.

Commencement serves a dual purpose: it celebrates all that you have accomplished at DePaul and marks the beginning of the next chapter of your life. It is both a moment of reflection and a moment of anticipation—an opportunity to look back with pride on your achievements and forward with confidence to all that lies ahead.

As you move forward, carry with you the lessons, values, and relationships that have defined your time here. Your education is not simply a record of what you have learned, but a foundation for how you will lead, serve, and make a difference. You are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

We are proud of all that you have accomplished and confident in all that you will achieve. Wherever your journey leads, you will always remain part of the DePaul community.

Go Blue Demons!

PROVOST

JUNE 2026

TO OUR GRADUATES,

Congratulations, Class of 2026!

Commencement is always a moment of reflection and celebration. Today we recognize not only the completion of your academic journey, but also the dedication, curiosity, and perseverance that brought you to this milestone. During your time in the College of Science and Health, you have grown as scholars, professionals, and members of a community committed to improving the world around us. You have explored complex questions, engaged in hands-on learning, and discovered how science and health can be powerful tools for understanding and addressing the challenges facing our communities.

At DePaul, your education has always been about more than mastering knowledge. Rooted in our Vincentian mission, it is about preparing you to use what you know in service of others. Whether you studied biology, nursing, psychology, environmental science, health sciences, or one of the many other disciplines represented across the College, you have learned that discovery and compassion go hand in hand. As you step into your next chapter, the world will ask much of you. It will need your ideas, your expertise, and your willingness to think boldly about the future. But just as importantly, it will need your empathy, your integrity, and your commitment to making a meaningful difference in the lives of others.

We are incredibly proud of all that you have accomplished and excited to see the paths you will forge. Remember that wherever your journey leads, you remain part of the College of Science and Health community. Your achievements will continue to inspire the students who follow in your footsteps. On behalf of our faculty and staff, thank you for the energy, dedication, and spirit you have brought to this community. We celebrate you today and look forward to the many ways you will contribute to a healthier, more just, and more compassionate world.

Warm regards,

A handwritten signature in black ink that reads "Stephanie T. Dance-Barnes". The signature is written in a cursive, flowing style.
