June 2023

DEAR GRADUATE,

Congratulations to DePaul's Class of 2023! I'm thrilled to celebrate my very first commencement at DePaul with you and your families. Today, you're joining one of the most powerful alumni networks in the nation.

Across the country and around the globe, DePaul alumni are known for their grit, innovation, and passion for making the world a better place. Our collective impact on the world is now 5,500 people stronger, because of you. I'm proud of you and look forward to following your future success.

June 2023

DEAR GRADUATE,

You worked hard to get to this day, and your DePaul family could not be more proud of you. Commencement is a ceremony with a dual purpose: it serves as a celebration of all that you have accomplished at DePaul and is also a launching pad for the next chapter of your life.

As you move forward, remember the lessons gained during your time at DePaul. You have learned a lot in and out of the classroom, and you are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

Congratulations on your graduation!

A handwritten signature in black ink, appearing to read 'Salma Ghanem'.

Salma Ghanem, PhD

Provost

June 2023

DEAR GRADUATING CLASS OF 2023,

I am honored to congratulate you on reaching this important milestone! As your professor and the interim dean of the College of Education, I have watched you grow and develop into the capable educators you are today.

As you prepare to take the next step into your careers, as teachers, administrators, counselors, or pursue other paths, I encourage you to remember that the learning process never ends. Stay curious, seek out new experiences, be bold, and never stop to become better yet. You can make a positive impact on the world, and I have no doubt that you will.

Sincerely,

A handwritten signature in black ink that reads "Mojdeh Bayat". The signature is fluid and cursive, with a long horizontal stroke extending from the end of the name.
