DEAR GRADUATE,

You worked hard to get to this day, and your DePaul family could not be more proud of you. Commencement is a ceremony with a dual purpose: it serves as a celebration of all that you have accomplished at DePaul and is also a launching pad for the next chapter of your life.

As you move forward, remember the lessons gained during your time at DePaul. You have learned a lot in and out of the classroom, and you are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

Congratulations on your graduation!

DEAR CLASS OF 2024,

Congratulations! I am so honored to share your graduation day with you and your loved ones, and to express my appreciation to all of you for your hard work, collaboration, and pride in our law school. I want to especially thank you for making the law school a more vibrant place and bringing us back home to 25 East Jackson as the first class fully in person since the beginning of the pandemic. There is a quote from Helen Keller that I try to live in every day, and your class has modeled since you arrived: “Alone we can do so little; together we can do so much.” You did so much together and you should be so very proud.

You are graduating law school at a critical time in our history, as we face many challenges in our society that need expert problem-solvers.. We need lawyers like you who are purpose-driven, ethical and compassionate, who will take your values to enhance many different fields.. I have great faith in the future of the legal profession because you will be one of its members.

When you graduate, you will be welcomed as a member of the DePaul Law alumni network. It is a powerful network of accomplished lawyers, leaders and connectors, and I hope you take advantage of them in the years to come.

Lastly, I want to give a special thanks to your family and friends for supporting you through all the rigors and demands of law school.

Good luck on the bar exam—you have all the tools to get over the finish line strong!

All my best,

Jennifer Rosato Perea

Dean
