

DEPAUL UNIVERSITY'S 125TH COMMENCEMENT

COLLEGE OF SCIENCE AND HEALTH
JUNE 15, 2024

JUNE 2024

DEAR GRADUATE,

Congratulations to DePaul's Class of 2024! I'm thrilled to celebrate DePaul's commencement with you and your families. Today, you're joining one of the most powerful alumni networks in the nation. Across the country and around the globe, DePaul alumni are known for their grit, innovation, and passion for making the world a better place. Our collective impact on the world is now 6,000 people stronger, because of you. I'm proud of you and look forward to following your future success.

JUNE 2024

DEAR GRADUATE,

You worked hard to get to this day, and your DePaul family could not be more proud of you. Commencement is a ceremony with a dual purpose: it serves as a celebration of all that you have accomplished at DePaul and is also a launching pad for the next chapter of your life.

As you move forward, remember the lessons gained during your time at DePaul. You have learned a lot in and out of the classroom, and you are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

Congratulations on your graduation!

JUNE 2024

TO OUR GRADUATES,

As we celebrate the culmination of your journey at DePaul University's College of Science and Health, I am filled with an overwhelming sense of pride and admiration for each and every one of you. Congratulations, Class of 2024, on this remarkable achievement!

Your time here has been marked by a series of challenges and triumphs, each contributing to the unique tapestry of your academic experience. From late-night study sessions to grueling clinical rotations, from overcoming research hurdles to embracing the complexities of community engagement projects, you have demonstrated remarkable resilience and perseverance in the face of adversity. These experiences have not only equipped you with the knowledge and skills needed to excel in your chosen fields but have also instilled in you a deep sense of purpose and determination. As you stand on the precipice of a new chapter in your lives, I have every confidence that the qualities you have cultivated throughout your academic journey will serve as invaluable assets as you navigate the complexities of the world beyond our campus.

Central to your success has been your unwavering commitment to the Vincentian values that lie at the heart of our university's mission. Grounded in compassion, integrity, and a steadfast dedication to serving others, your Vincentian character will be your guiding light as you embark on this next phase of your journey. To our forward-thinking and dedicated graduates, I commend you for your passion for learning and your relentless pursuit of excellence. You have not only excelled in the classroom but have also demonstrated a commitment to making a positive impact on the world around you.

As you venture forth into the world, I urge you to remain connected to our DePaul community and to continue to embody the spirit of service and compassion that defines us as Vincentians. Whether it be through your professional endeavors or your personal pursuits, may you always strive to leave the world a little better than you found it.

On behalf of the entire faculty and staff of the College of Science and Health, I extend my heartfelt congratulations once again. Class of 2024, as you go forth into the world, may you continue to inspire, innovate, and make us proud.

Warm regards,

A handwritten signature in black ink that reads "Stephanie T. Dance-Barnes". The signature is written in a cursive, flowing style.
