DEAR CLASS OF 2022,

On behalf of the entire Jarvis College of Computing and Digital Media community, I extend my heartfelt congratulations!

I’m so proud of all that you’ve achieved—even in the face of a global pandemic. You’ve won cybersecurity competitions and typographic arts awards, created award-winning films and meaningful games, and collaborated with both academic peers and industry pros to solve real-world problems.

I truly believe you are graduating well-prepared to prosper in a changing world—and that this graduating class of storytellers, tech innovators, designers and makers can change the world, too.

I can’t wait to see what you do next.
