

DEPAUL UNIVERSITY'S 124<sup>TH</sup> COMMENCEMENT

**KELLSTADT GRADUATE SCHOOL OF BUSINESS**  
JUNE 11, 2023

June 2023

## DEAR GRADUATE,

Congratulations to DePaul's Class of 2023! I'm thrilled to celebrate my very first commencement at DePaul with you and your families. Today, you're joining one of the most powerful alumni networks in the nation.

Across the country and around the globe, DePaul alumni are known for their grit, innovation, and passion for making the world a better place. Our collective impact on the world is now 5,500 people stronger, because of you. I'm proud of you and look forward to following your future success.

President

June 2023

## DEAR GRADUATE,

You worked hard to get to this day, and your DePaul family could not be more proud of you. Commencement is a ceremony with a dual purpose: it serves as a celebration of all that you have accomplished at DePaul and is also a launching pad for the next chapter of your life.

As you move forward, remember the lessons gained during your time at DePaul. You have learned a lot in and out of the classroom, and you are equipped to excel on your chosen path. Now it's time for you to go forward and make a difference in the world.

Congratulations on your graduation!

## DEAR CLASS OF 2023 GRADUATE,

Congratulations on earning your business degree from DePaul University! We are proud of your achievement at DePaul. We are confident you will continue to reach for your dreams and contribute to making the world a better place.

As a member of the Class of 2023, you join DePaul's 71,000-strong business alumni network—a community of allies that you can rely on throughout your career and life. We encourage you to become an active member of our alumni community and stay connected with DePaul.

I join the faculty and staff of the Driehaus College of Business in wishing you the best of luck. We look forward to seeing how you apply your DePaul education toward accomplishing great things in this world.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sulin Ba'.
