TO THE 2022 GRADUATING CLASS,

College should always be a time of change and growth, but I don’t think any of us could have anticipated just how much would change during your time at TTS.

You have accomplished the extraordinary—surviving, creating, learning, and now graduating during a global pandemic. We are all rooting for you and cannot wait to see how you use your creativity and sense of possibility to create new ways of working and being in our field.

Always on your team,
