JUNE 2025

## DEAR GRADUATE,

Congratulations to DePaul's Class of 2025!

I'm thrilled to celebrate DePaul's commencement with you and your families. Today, you're joining one of the most powerful alumni networks in the nation.

Across the country and around the globe, DePaul alumni leave with more than just a degree. They carry with them a well-rounded education, a career-ready mindset, and a deep sense of purpose, equipping them to take on the world's most pressing challenges. As you move forward, let the Vincentian question guide you: What must be done?

Our collective impact on the world is now 6,000 people stronger, because of you. I'm proud of you and look forward to following your future success.

PRESIDENT

JUNE 2025

## DEAR GRADUATE,

My heartfelt congratulations on this important milestone. Commencement is a ceremony with a dual purpose: it serves as a celebration of all that you have accomplished at DePaul and is also a launching pad for the next chapter of your life.

As you move forward, remember the lessons gained during your time at DePaul. You have learned a lot in and out of the classroom, and you are equipped to excel on your chosen path. Now is the time for you to go forward and make a difference in the world.

Go Blue Demons!

PROVOST

JUNE 2025

## DEAR GRADUATING CLASS OF 2025,

Thank you from the bottom of my heart for all you have accomplished, persisted through, and created in your time in the DePaul College of Education. You should be incredibly proud of your growth, your learning, and your "becoming" as you have stayed the path on this professional journey.

In our professions we serve others, and often the most vulnerable amongst us. Our work is Vincentian by nature, and you have developed the skills and mindset for service and toward always making the world a better place. Thank you for choosing these professional paths. They are not easy, predictable, or certain. To be successful takes a strong heart, courage, faith, and persistence. You embody all of that and will carry forth to serve as a model for others. Our fractured society needs you to help others heal, grow, learn, and become engaged citizens of our global world. Our jobs as educators, leaders, and counselors are the most important that there are!

As you prepare to take the next steps into your careers, remember that the learning process never ends. Stay curious, seek out new experiences, be bold, and always strive to be better. You will make a positive impact on the world, I have no doubt. I end with wise words from an amazing educator, Maya Angelou:

"I encourage you to live with life. Be courageous, adventurous. Give us a tomorrow, more than we deserve."

All my care and respect,

A handwritten signature in black ink that reads "Jennifer Mueller". The script is fluid and cursive.
