JUNE 2025

DEAR GRADUATE,

Congratulations to DePaul's Class of 2025!

I'm thrilled to celebrate DePaul's commencement with you and your families. Today, you're joining one of the most powerful alumni networks in the nation.

Across the country and around the globe, DePaul alumni leave with more than just a degree. They carry with them a well-rounded education, a career-ready mindset, and a deep sense of purpose, equipping them to take on the world's most pressing challenges. As you move forward, let the Vincentian question guide you: What must be done?

Our collective impact on the world is now 6,000 people stronger, because of you. I'm proud of you and look forward to following your future success.

PRESIDENT

JUNE 2025

DEAR GRADUATE,

My heartfelt congratulations on this important milestone. Commencement is a ceremony with a dual purpose: it serves as a celebration of all that you have accomplished at DePaul and is also a launching pad for the next chapter of your life.

As you move forward, remember the lessons gained during your time at DePaul. You have learned a lot in and out of the classroom, and you are equipped to excel on your chosen path. Now is the time for you to go forward and make a difference in the world.

Go Blue Demons!

PROVOST

JUNE 2025

TO OUR GRADUATES,

As we gather to celebrate this extraordinary milestone, I am filled with pride, admiration, and hope for all that lies ahead. Congratulations, Class of 2025! You have reached this moment through perseverance, passion, and a commitment to your goals—qualities that will continue to serve you well beyond today.

Your journey through the College of Science and Health unfolded during a time of global uncertainty, rapid change, and profound discovery. In the face of these challenges, you showed up—with curiosity, compassion, and a willingness to grow. You embraced the unknown and proved that purpose-driven learning can thrive, even in the most complex of times.

You have not only mastered the knowledge and skills required in your fields—you have also cultivated a mindset rooted in service, empathy, and resilience. These qualities are at the heart of our Vincentian mission and will remain your compass as you move forward. The world you enter is in need of your brilliance, but even more so, it needs your humanity.

Know that you leave here as more than graduates—you leave as problem-solvers, innovators, and leaders. You carry with you the legacy of DePaul and the promise of what's possible when we lead with both intellect and heart. Wherever your path takes you, may you use your voice and your gifts to shape a better future.

Stay connected to the College and to one another. You are now part of a proud and growing alumni family, and your journey will continue to inspire the next generation. We will always be here, cheering you on and celebrating all that you accomplish.

On behalf of the entire faculty and staff of the College of Science and Health, congratulations. May your next chapter be filled with purpose, courage, and endless possibility. And above all, may you continue to live out the values that brought you here—and will carry you forward.

Warm regards,

A handwritten signature in black ink that reads "Stephanie T. Dance-Barnes".
