

CUSHMAN & WAKEFIELD DEPAUL UNIVERSITY MBA PROGRAM

DePaul University's Kellstadt Graduate School of Business (KGSB) is partnering with Cushman & Wakefield to offer the DePaul MBA, starting in September 2021. Students will complete all of the 11 required MBA core courses and a negotiation skills course together. In consultation with their advisor, students choose four additional courses, which could count toward a concentration in Real Estate or another field (see below). Students will be able to complete the 60-credit-hour degree in two years (eight academic quarters).

The core courses in this program are online-hybrid, which blend asynchronous and synchronous (live) online formats, with 30% or more of the learning activities designated as asynchronous online. Classes will be on Monday and Wednesday evenings.

COST

DePaul provides a **25% tuition discount** for Cushman & Wakefield employees in the MBA cohort program, which is based on the commitment of 20 students. Employees with undergraduate business degrees may be eligible for course waivers, further lowering the tuition cost.

Full tuition price for the DePaul MBA program	\$66,120
Less: DePaul's 25% tuition discount*	-\$16,530
Total out-of-pocket tuition estimate for Cushman & Wakefield employees	\$49,590 (Total tuition)

The Cushman & Wakefield-DePaul discount cannot be combined with any other DePaul scholarship or discount or DePaul financial aid award.
