

NATIONAL BLACK MBA ASSOCIATION DEPAUL UNIVERSITY MBA PROGRAM

DePaul University’s Kellstadt Graduate School of Business (KGSB) is partnering with the National Black MBA Association (NMBBAA) to offer the DePaul MBA, starting in March 2021. Students will complete all of the 11 required MBA core courses and a negotiation skills course. In consultation with their advisor, students choose four additional courses, which could count toward a concentration (see below).

This program is currently offered online. In future quarters, when conditions allow, Chicago-based students may choose to transition to in-person instruction for synchronous courses. All students may choose to finish the degree program entirely online. The online hybrid courses will meet remotely Mondays and Wednesdays from 6:30–8 p.m. CST. Students will be able to complete the 60-credit-hour degree in two years (eight academic quarters).

COST

DePaul provides a **25% tuition discount** for members of the NMBBAA in the MBA cohort program. Members should check with their employer’s human resources department about possible additional tuition benefits. Members with undergraduate business degrees may be eligible for course waivers, further lowering the tuition cost.

Full tuition price for the DePaul MBA program	\$64,800
Less: DePaul’s 25% tuition discount	-\$16,200
Total out-of-pocket tuition estimate for NMBBAA employees	\$48,600 (Total tuition)

The NMBBAA-DePaul discount cannot be combined with any other DePaul scholarship or discount or DePaul financial aid award. Loans, federal and state grants, and non-DePaul scholarships are available, as well as flexible payment plans, to those who qualify. Employees in this program may enroll in DePaul’s In-Term Payment Plan. A small tuition increase may occur for all MBA students, NMBBAA members included, in the upcoming academic years.
