Community Partner Collaboration Agreement FAQs

1. I do not feel comfortable with the language in the agreement. Can I change it?

Answer: Yes. All suggested changes will be sent to the DePaul Legal Counsel. If they have any concerns with the language we will modify it to come to a consensus between the Community Partner and the Steans Center.

2. My organization does not have a liability limit of \$1,000,000 or a \$3,000,000 aggregate. Can I change it?

Answer: Yes. All suggested changes will be sent to the DePaul Legal Counsel. If they have any concerns with the language we will modify it to come to a consensus between the Community Partner and the Steans Center.

3. We collect the information on minors, but we do not want to turn it over to DePaul every school year. Do we need to do this?

Answer: 99.9% of the time we want your organization to hold on to the information involving minors. Only in extreme circumstances would we request the names of minors involved in your program.

4. I am still not comfortable with the Collaboration Agreement. Can we meet in person about it?

Answer: Yes. You are more than welcome to come to the Steans Center or we can meet at your organization location.

5. Our organization does VIRTUS training instead of Illinois Department of Children and Family Services Recognizing and Reporting Child Abuse Training for Mandated Reporters (Training), does that comply with the Agreement?

Answer: Yes, VIRTUS training is an acceptable way of meeting the requirement.

6. Can you clarify what the parameters are for our projects and research?
