Through our support of DePaul faculty, each year the Steans Center engages over

4,000 students in **200 courses** with **200 community partners** for over **75,000** hours of service

Through the Steans Center, you can:

- Identify best practices for service-learning pedagogy
- Create courses that strengthen student learning
- Address community challenges
- Discuss critical issues in Chicago through the lens of Asset-based Community Development
- Attain a certificate in teaching service-learning

Faculty Workshops, Community Conversations, and Certificate Series

- 4 CbSL Workshops: "Introduction to CbSL"; "Negotiating Identity in Classroom and Community"; "Authentic Community Partnerships"; "Reflection"
- 4 Community Conversations: "Non-Violence, Restorative Justice"; "Immigration"; "Social Entrepreneurship"; "STEAM"
- Community Immersion Institute (June 2020)
- Faculty Capstone Community Engagement Project
