The Irwin W. Steans Center offers many pathways to community engagement for students, faculty members, and community partners, including:

- Community-based Service Learning Workshops
- A Certificate Program
- Community-based Research Funding
- Asset-Based Community Development Institutes
- The Community Service Studies Minor
- Student Internship and Scholarship Programs

"Introduction to Community-based Service Learning" Online Workshop

Recommended before attending any other workshop. Available on our Youtube Channel: DePaul University Steans Center.

OCE LIVE

Online Community Engagement (OCE) Live Events is a series of discussions, presentations and workshops led by our Community Partners, Faculty and Students exploring social justice issues. Attend and utilize as a resource for courses.
